SAVING BRAINS

Learning and Growing

This term, our children have learned many new things through play, stories, and working together. We have seen great improvement in how they think, create, and relate with others.

- **Thinking and Understanding:** The children are now better at solving problems and knowing letters and numbers.
- **Being Creative:** They enjoy drawing, singing, and telling stories in their own special ways.
- **Friendship:** They are learning to share, help one another, and be kind.
- **Body Growth:** Through play and games, their movement and confidence have become stronger.

We are very proud of every child and thankful for the joy they bring to our school every day.

NOW OPEN

Dear Parents and Friends,

As we come to the end of Term 3, we are filled with gratitude for a wonderful season of learning and growth. The children have continued to amaze us with their curiosity, confidence, and creativity. We are proud of every step they have taken, both big and small. Below are some highlights and important updates from our activities this term.

TERM 3 HIGHLIGHTS

Parents' Day – 5th September 2025

Parents' Day was a joyful celebration where parents joined us in class sessions to share smiles and witness their children's learning in action. Learners showcased their talents through songs, storytelling, and creative displays, filling the day with pride, laughter, and connection. We're grateful to all parents for their strong support, your involvement truly makes a difference!

School Trip – 19th September 2025

Our little explorers had an unforgettable adventure during the school trip to Luna Park Hotel. The day was filled with excitement from swimming and outdoor play to exploring new spaces and making lasting memories.

It was a day of discovery and joy, where learning happened beyond the classroom walls. We deeply appreciate everyone who supported and helped make this trip successful.

Your kindness and teamwork brought smiles to many faces!

Cultural Day Celebration

This term's Cultural Day was full of color, music, and joy!

Our children proudly showcased Kenya's diverse traditions through dance, dress, songs, and food. It was a wonderful reminder that our diversity is something to cherish and celebrate. Through this experience, learners developed confidence, teamwork, and appreciation for one another's values that go beyond the classroom.

Closing Day Celebration – 22nd October 2025

As we came to the end of the term, we held our Closing Day Celebration on Wednesday, 22nd October 2025.

It was a joyful day filled with excitement and pride as our learners showcased their talents through songs, poems, and creative performances.

We also presented certificates of completion to our PP2 learners, celebrating their growth and achievements.

The atmosphere was full of smiles, gratitude, and reflection, a beautiful moment to honor the hard work, creativity, and progress of every child.

Looking Ahead

As we close this term, we look ahead with excitement to the continued partnership between parents, teachers, and children, a bond that will keep shaping brighter futures.

Together, let's keep inspiring our little ones to dream, explore, and grow, nurturing the incredible potential within each child. Thank you for walking with us on this wonderful journey of early learning.

With gratitude and joy,

Early Start ECD Center – Nakuru staff and management
